Calvert County Board of Education Executive Staff and School Board Members  
1305 Dares Beach Road  
Prince Frederick, Maryland 20678

Dear Calvert County BoE Executive Staff and School Board Members:

We have read the advertisement for Closed Sessions to address personnel matters on June 5<sup>th</sup> and 6<sup>th</sup>, in between graduation ceremonies. It is our sincere hope that if these personnel matters pertain at all to our family's situation or other situations which might come to light, that no one who has **actually** been the cause of these problems is permitted to leave with anything. We also hope these personnel matters do not involve **scapegoating** anyone employed by CCPS, and who have only been stuck in the middle, with no choice over what you - the Superintendent, BoE and Executive Staff - have ordered and allowed. We worry a good example of this might be with the PIA process; which, instead of being properly controlled by Registered Agent Ms. Karen Maxey was actually controlled by Daniel Curry and about which Anthony Navarro exhibited fear and panic at records pickups. If Daniel Curry's departure is imminent, we hope that whomever the interim Superintendent is, he/she will not have been the cause of any abuse or legal or financial liability to CCPS. If we learn of any scapegoating we will do whatever we can to assist anyone who finds themselves in such a predicament.

Sincerely,

John Blevins

Katharine Blevins
